J. G. WHITE ENGINEERING CORPORATION

43 Exchange Place

Mr. Gano Dunn.

September, 1918 - memorandum from Capt. Slaughter, telling of calling on Mr. White, who was cooperative. Letter to Mr. White, outlining method of communication.

October, 1918 - MID asked Mr. Dunn for information concerning certain Swiss journalists.

December, 1918 - letter to Mr. Dunn, thanking for reception of Townsend.

November, 1919 - letter to Mr. Dunn re Adolph Tordy, MID agent. (It is believed that Tordy was ostensibly in service of this firm.)

May, 1920 - letter to Mr. Dunn, expressing appreciation of willingness to have representative call on MID.

January, 1922 - letter to Mr. Dunn, enclosing letter of introduction to M/A, Mexico, for S. Bradshaw Jacobs; also article on MID.

February, 1922 - asked Mr. Dunn for maps of Honduras and list of foreign representatives. (Standard Oil of N.J. suggested asking for above maps.)

March 20, 1922 - Mr. Dunn interviewed by Maj. Churchill. Informed Maj. Churchill that J. G. White & Co. had recently completed a \$150,000 railway survey in Nicaragua and that undoubtedly a complete set of maps made as a result of this survey would be furnished in the near future.

May 13 - letter to Mr. Dunn, reminding him of offer to send railway survey information. This done and pamphlet sent to Geog. Br., which expressed desire for maps referred to therein; these found to be too large for mailing and Mr. Dunn advised G-2 would not request them.
